As the new editor of the 1994 McKendrean Yearbook, I hope you enjoy all the time and effort that was put into this Yearbook. Even though it is a little late, we have been working on it constantly to get it done. Our theme is "It's All A Mystery" or why the Yearbook was never finished in 1994. We are sorry if everything did not get in due to the limited resources we had to work with and the pressures of trying to get this Yearbook done. I want to thank Tammy Setzekorn and Jason Zimmer for all their help. I would also like to thank the McKendree Review for additional pictures.

Thank you,

Marsha Reynolds

Mike McCann made a special trip back to McKendree from London, England, to have his picture taken for the '93 Yearbook.

Unfortunately, his picture was left out. Therefore, this picture of Mike on page one of the '94 Yearbook is especially for him.

To Marsha,

On behalf of the McKendree Family I would like to thank you and your staff for all the work you put into the making of this yearbook. Without your persistence I'm sure we would not have achieved our goal. My personal thanks to you, Tammy and Jason.

Sincerely,

David L. Ottinger
